To Qualifying Shareholders in International Public Partnerships Limited

Dear Qualifying Shareholder

1. Introduction

On 8 September 2022 your Board declared a dividend covering the period 1 January 2022 to 30 June 2022 of 3.87 pence per Share (the **'2022 First Half Year Dividend'**).

The Board intends to offer a scrip dividend alternative to the 2022 First Half Year Dividend (the **'Scrip Dividend Alternative'**) so that Qualifying Shareholders can elect to receive new Shares instead of a cash dividend (**'Scrip Dividend Shares'**). The 2022 First Half Year Dividend is available to all Shareholders who have Shares registered in their names as at the close of business on 16 September 2022 (the **'Record Date'**). However, the Scrip Dividend Alternative is being offered only to Qualifying Shareholders. This circular explains how Qualifying Shareholders can take up this Scrip Dividend Alternative in respect of the 2022 First Half Year Dividend and, in the case of certificated (non-CREST) Qualifying Shareholders, new Shares instead of cash dividends in respect of future dividends when a scrip dividend alternative is offered to holders of Ordinary Shares.

The Board believes that the ability for Shareholders to elect to receive dividends from the Company in the form of new Shares rather than cash is likely to benefit both the Company and certain Shareholders. If Qualifying Shareholders do elect to receive Scrip Dividend Shares, the Company will benefit from the ability to retain the cash which would otherwise have been paid out as dividends. Qualifying Shareholders can also increase their shareholdings in the Company without incurring dealing costs or paying stamp duty reserve tax. Furthermore, the Board understands that under current UK law and HM Revenue & Customs practice, certain UK-resident Shareholders may be able to treat Scrip Dividend Shares as capital for tax purposes. Paragraph 5 below ('United Kingdom taxation of the Scrip Dividend Alternative') contains further details.

The Terms and Conditions are available on the Company's website: www.internationalpublicpartnerships.com and on www.signalshares.com. Paragraph 11 of the Terms and Conditions was updated on 6 October 2022 to confirm that the general summary of the UK tax consequences of electing to receive Shares under the Scrip Dividend Alternative is based on current UK law and HMRC practice as at 6 October 2022. A copy is also available by post on request; please see details in paragraph 6 below.

At the extraordinary general meeting of the Company held on 15 January 2010, resolutions were passed approving amendments to the Company's articles of incorporation to permit scrip dividends and granting the Board authority to offer a scrip dividend alternative to Shareholders. This authority was most recently renewed at the Company's Annual General Meeting (**'AGM'**) on 25 May 2022 for dividends declared in respect of any financial period of the Company ending prior to the Company's AGM in 2023, although the Board's authority to issue the Scrip Dividend Shares remains conditional on the Board remaining satisfied, on reasonable grounds, that the Company will immediately after issuing the Scrip Dividend Shares satisfy the solvency test as set out in section 527 of the Law for the purposes of section 304 of the Law.

The Scrip Dividend Alternative is conditional on: (a) the listing of the Scrip Dividend Shares on the Official List of the FCA; (b) admission of the Scrip Dividend Shares to trading on the London Stock Exchange's main market for listed securities; (c) the Board not deciding to revoke their decision to offer Scrip Dividend Shares; and (d) the Board remaining satisfied, on reasonable grounds, that the Company will immediately after issuing the Scrip Dividend Shares satisfy the solvency test as set out in section 527 of the Law for the purposes of section 304 of the Law.

2. Basis of Entitlement

Each Qualifying Shareholder's entitlement to Scrip Dividend Shares under the Scrip Dividend Alternative in respect of the 2022 First Half Year Dividend is based on a price for each Scrip Dividend Share of 163.64 pence per Share (being the average of the middle market prices of the Shares derived from the Daily Official List of the London Stock Exchange for the Ex Dividend Date and the four subsequent dealing days (the **'Reference Share Price'**)).

The formulae used for calculating the maximum Scrip Dividend Share entitlement are as follows:

number of Shares held at the Record Date by Qualifying Shareholders x dividend = aggregate dividend available
per Share for scrip election

And

$$\frac{\text{aggregate dividend available for scrip election}}{\text{Reference Share Price}} = \text{number of Scrip Dividend Shares (rounded down to the nearest whole number - see paragraph 4)}$$

Any residual cash amount representing a fraction of a Scrip Dividend Share arising as a result of an election for the Scrip Dividend Alternative will never exceed the value of one Share at the Reference Share Price. Cheques for the value of any such residual cash amounts will be posted to Shareholders who are entitled to them on 17 November 2022.

For Qualifying Non-CREST Shareholders making a Scrip Dividend Mandate, it is expected that the above will also be the method for calculating the basis of entitlement for future dividends where a scrip alternative is offered, and that fractional entitlements will also be treated in the same way.

3. Action to be taken

Qualifying Non-CREST Shareholders

If you are a Qualifying Shareholder and hold share certificates for your Shares, in order to elect to receive Scrip Dividend Shares in relation to all of your dividend entitlement you will need to complete the online Scrip Dividend Mandate at www.signalshares.com. Your completed Scrip Dividend Mandate must be received by the Company's registrar by no later than 5:00 pm on 28 October 2022. If it has not been received by then, you will receive the full cash dividend entitlement in respect of all of your Shares.

As notified to Shareholders on 3 May 2019, the process for certificated (non-CREST) Shareholders to make scrip dividend elections has been streamlined. Any election must be made on a standing basis (although you can revoke it as set out in Paragraph 5 of the Terms and Conditions) and be in respect of your entire holding. The entitlement to make a Scrip Dividend Mandate or to elect to receive the Scrip Dividend Alternative is personal and non-transferable.

A Scrip Dividend Mandate is a standing election to receive not only the 2022 First Half Year Dividend, but also all dividends declared by the Company in the future where the Board decides to offer a scrip dividend alternative, in the form of new Shares in respect of your entire shareholding. Scrip Dividend Mandates will only be valid in respect of scrip dividend alternatives offered in respect of dividends made to holders of Ordinary Shares in the Company. If you make a Scrip Dividend Mandate and the Board decides to offer Scrip Dividend Shares instead of any cash dividend in the future you will be informed separately by a further circular. That circular will set out details of the reference share price for shareholders to calculate their entitlement to Scrip Dividend Shares.

If you gave a Scrip Dividend Mandate at the time of a previous scrip dividend offered by the Company, then unless you want to change the mandate you need take no action. If you wish to change your election, you will need to revoke it. Please see Paragraph 5 of the Terms and Conditions for how to do this in time for this scrip dividend alternative to be paid to you in cash. Notice of revocation of a Scrip Dividend Mandate must be received by 5:00 pm on 28 October 2022 and will take effect immediately.

You are entitled to ask the Company's registrar for a paper election form instead of completing the Scrip Dividend Mandate online (although this will also offer the option of a standing election only in respect of your entire holding). Please see paragraph 6 for how to do this.

Qualifying CREST Shareholders

If you are a Qualifying Shareholder holding your Shares in CREST and wish to receive Scrip Dividend Shares in respect of all or some of your dividend entitlement, you should submit a Dividend Election Input Message (as defined in the CREST Manual) by 5:00 pm on 28 October 2022.

Unfortunately it is not possible for CREST Shareholders to make a standing election. However, the Company will write to all eligible Shareholders each time a dividend is declared and the Board decides to offer a scrip dividend alternative and you will have the opportunity to elect to receive that dividend in the form of new Shares where a scrip dividend alternative is offered.

If you do not wish to receive any Scrip Dividend Shares

If you would like to receive the 2022 First Half Year Dividend in cash in respect of all of your dividend entitlement, you should take no action and need not respond to this circular (unless you wish to revoke a previous mandate to receive all dividends where a scrip dividend alternative is offered in new Shares). Your dividend will be paid to you in the usual way on the dividend payment date (on page 2 of this circular). This will not prevent you from choosing to receive future dividends in the form of new Shares where a scrip dividend alternative is offered, subject to applicable regulatory requirements at the time.

Non-Qualifying Shareholder

If you are not a Qualifying Shareholder, you may not receive Scrip Dividend Shares and you should take no action. Please note that all Shareholders who are located in, or who hold on behalf of persons located in, any jurisdiction in the EEA other than Ireland are not Qualifying Shareholders for this Scrip Dividend Alternative. If you were registered as holding Shares on the Record Date, your dividend will be paid to you in cash in the usual way on the dividend payment date.

4. General

The Scrip Dividend Alternative is subject to the Company's articles of incorporation and the Terms and Conditions. The Scrip Dividend Alternative and such Terms and Conditions are governed by and to be construed in accordance with English law. By completing Scrip Dividend Mandates or submitting Dividend Election Input Messages, Qualifying Shareholders agree to submit to the exclusive jurisdiction of the English courts in relation to the matters in this circular. See Appendix 1 of this document.

No acknowledgement of Scrip Dividend Mandates or Dividend Election Input Messages will be issued.

Subject to satisfaction of the conditions set out in this circular and the Terms and Conditions, definitive share certificates for the Scrip Dividend Shares held outside CREST will be posted, at the risk of the persons entitled thereto, on 18 November 2022, while CREST members should have their accounts credited on 18 November 2022.

Dealings in the Scrip Dividend Shares are expected to begin on 18 November 2022. In the unlikely event that the FCA does not agree before 18 November 2022 to admit the Scrip Dividend Shares to the Official List, or if any of the other conditions for the Scrip Dividend Alternative in paragraph 1 are not satisfied, Scrip Dividend Mandates and Dividend Election Input Messages will be disregarded and the Company will pay the 2022 First Half Year Dividend in cash in the usual way as soon as practicable on or after 18 November 2022.

If all Qualifying Shareholders were to decide to receive the 2022 First Half Year Dividend in cash the total cash dividend payable by the Company (including to non-Qualifying Shareholders) would be £73,965,109.21.

If all Qualifying Shareholders were to elect to receive Scrip Dividend Shares instead of cash in respect of their entire holdings, approximately 45,194,598 Scrip Dividend Shares would be issued based on the Reference Share Price (ignoring any reduction in respect of fractions), representing 2.36% of the issued ordinary share capital of the Company as at 10:00 am on the date of this circular. As at 10:00 am on the Record Date the share capital of the Company was unlimited, and 1,911,243,132 Shares of 0.01 pence each were in issue.

Application will be made to the FCA for admission of the Scrip Dividend Shares to the Official List and to the London Stock Exchange plc for admission of the Scrip Dividend Shares to trading on the main market of the London Stock Exchange.

The Scrip Dividend Shares will on issue be credited as fully paid and will rank pari passu in all respects with the existing Shares, except for participation in the 2022 First Half Year Dividend, and will rank pari passu for all future dividends.

5. United Kingdom Taxation of the Scrip Dividend Alternative

The following is a general summary of the UK tax consequences of electing to receive Shares under the Scrip Dividend Alternative instead of a cash dividend and is based on current UK law and HMRC practice as at the date of this circular (which are subject to change possibly with retrospective effect). It applies only to UK-resident Shareholders who are the beneficial owners of their Shares and who hold their Shares as an investment. The following summary does not address the position of certain classes of Shareholders, such as dealers in securities.

Investors should consult their own professional tax advisers in relation to the tax consequences of electing to receive Shares instead of a cash dividend as this will depend upon their individual circumstances. Shareholders who are in any doubt as to what action to take, or who are subject to tax in a jurisdiction other than the UK, should consult an independent professional adviser.

(i) UK Taxation of Chargeable Gains

On the basis of case law, UK-resident Shareholders should not receive any income liable to UK income tax or corporation tax to the extent that they elect to receive Scrip Dividend Shares instead of the cash dividend, nor should they make any disposal for chargeable gains tax purposes at the time the Scrip Dividend Shares are issued. Instead the Scrip Dividend Shares and the original registered holding of Shares in respect of which the Scrip Dividend Shares are issued (the '**Original Holding**') should be treated as a single holding acquired at the time of the Original Holding.

There will be no allowable expenditure for chargeable gains tax purposes arising in respect of the Scrip Dividend Shares and the allowable expenditure arising in respect of the Original Holding will be apportioned across the Original Holding and the Scrip Dividend Shares.

A disposal for chargeable gains tax purposes will only arise at the time the Shareholder subsequently disposes of the Scrip Dividend Shares or the Original Holding (a '**Subsequent Disposal**'). UK-resident individual Shareholders may be subject to capital gains tax in respect of chargeable gains arising on a Subsequent Disposal depending on their individual circumstances. UK-resident corporate Shareholders may be subject to corporation tax in respect of chargeable gains arising on a Subsequent Disposal depending on their individual circumstances. UK-resident exempt pension schemes will not be liable to tax on chargeable gains arising upon a Subsequent Disposal of investments held for the purposes of the scheme.

(ii) UK Stamp Duty and Stamp Duty Reserve Tax

No UK stamp duty or stamp duty reserve tax will be payable on the issue of any Shares pursuant to the Scrip Dividend Alternative.

APPENDIX 1: AIFMD DISCLOSURES

In order that the Scrip Dividend Alternative can be offered to investors in the UK in accordance with the Alternative Investment Fund Managers Regulations 2013 (SI 2013/1773) (the **'UK AIFM Regulations'**) or in certain limited jurisdictions in the EEA under the Alternative Investment Fund Managers Directive (the **'AIFM Directive'** and together with the UK AIFM Regulations, the **'AIFM Rules'**), certain pre-investment disclosures must be made by the Company.

Accordingly, this Appendix 1 contains information required to be disclosed in accordance with the AIFM Rules, including by explaining where investors can find the relevant information in the Company's prospectus dated 8 April 2022 (the **'Prospectus'**) and/or the Company's most recent audited annual report and accounts for the year ended 31 December 2021 (the **'Annual Report'**) and/or the Company's most recent interim report and accounts for the period ended 30 June 2022 (the **'Half Year Report'**). The Prospectus, the Annual Report and the Half Year Report can be found on the Company's website (www.internationalpublicpartnerships.com). Copies of each may also be obtained by writing to the Company's registered office.

The Company has also published a Key Information Document which is available on the Company's website.

By submitting a Scrip Dividend Mandate Election or a Dividend Election Input Message, Irish and UK investors will be deemed to have represented that they have received and read the required disclosures and, if the shareholder to whom new Shares are to be issued is not a professional investor within the meaning of the MiFID II Directive (or the UK equivalent implementing rules), that they have read the Key Information Document prior to making a Scrip Dividend Mandate Election or a Dividend Election Input Message.

- Part I of the Prospectus contains a description of the investment strategy and objectives of the Company, the types of assets in which the Company may invest, the techniques it may employ, any applicable investment restrictions and the procedures by which the Company may change its investment strategy or investment policy. The Company's investment policy is also summarised on page 63 of the Annual Report.
- Part I of the Prospectus also contains a description of the circumstances in which the Company may use leverage, restrictions on the use of leverage and the maximum level of leverage which the Company is entitled to employ. There is no restriction on the types of leverage permitted. Borrowing by the Company is typically from lending banks. In view of the nature of the Company's underlying investments, such investments are not capable of being lent out or otherwise rehypothecated, so there are no collateral or asset reuse arrangements in place in respect of the Company's investment portfolio. The Company has not engaged the services of any prime broker.
- The key risks associated with the investment strategy, objectives and techniques of the Company and with the use of leverage by the Group are contained in the section of the Prospectus entitled 'Risk Factors' and on pages 50 to 62 of the Annual Report.
- The Company is not a fund of funds and so there is no master AIF, nor are there any underlying funds.
- The procedure and conditions for the issue of and subscription for Scrip Dividend Shares is contained in this circular and in the Terms and Conditions. This circular and the Terms and Conditions also explain the main legal implications of the contractual relationship entered into by applying to receive Scrip Dividend Shares in the Company and the applicable law and jurisdiction. Since the Scrip Dividend Alternative and the Scrip Dividend Mandate Scheme are governed by the law of England, a final and conclusive judgment, capable of execution, obtained in a superior court of England and Wales (being the Supreme Court and the Senior Courts of England and Wales excluding the Crown Court, having jurisdiction over a defendant for a fixed sum (other than for taxes or similar charges)) in respect of the Scrip Dividend Alternative and after a hearing of the merits in that court, would be recognised and enforced by the Royal Court of Guernsey without re-examination of the merits of that case, but subject to compliance with procedural and other requirements of the Judgments (Reciprocal Enforcement) (Guernsey) Law 1957, as amended, unless any such judgment (a) is obtained by fraud; (b) is in conflict with Guernsey public policy; (c) has already been satisfied wholly; (d) could not be enforced by execution in the jurisdiction of origin; or (e) that the rights under the judgment are not vested in the person by whom the application for registration was made.
- The Company is categorised in accordance with the AIFM Rules as an internally managed non-EEA/non-UK alternative investment fund (or AIF) and so has no external alternative investment fund manager (or AIFM). The Company is not subject to the AIFM Laws requirements relating to the appointment of depositaries.
- As an internally managed non-EEA and non-UK AIF, the Company is not required to comply with Article 9(7) of the AIFM Directive (or the equivalent UK rules) in respect of professional liability risk.
- As described in Parts I and V of the Prospectus, the Directors delegate certain of their functions to other parties such as Amber Fund Management Limited (**'Amber'**), Ocorian Administration (Guernsey) Limited (the Company's administrator and company secretary) and Link Group, the Company's registrar. In particular, the Directors have delegated responsibility for investment advice and day-to-day management of the projects comprising the Company's portfolio to group entities within the Amber group, but investment decisions are taken by the Board, having regard to advice from Amber. The conflicts of interest which may arise in relation to such delegation and the methods to deal with them are described in Parts I and V of the Prospectus.
- A description of the Company's valuation procedure and of the pricing methodology for valuing assets, including the methods used in valuing hard-to-value assets, is contained in Part I of the Prospectus and pages 31 to 37 of the Annual Report.

-
- The Company is a closed-ended investment company. However, the Scrip Dividend Shares are to be listed on the Official List and admitted to trading on the Main Market and will be freely transferable. As regards liquidity risk management, a description of the discount management mechanisms which may be employed by the Company in respect of its Ordinary Shares is contained in Part I of the Prospectus, although the exercise by the Directors of the Company's powers to repurchase Shares either pursuant to a tender offer or any general repurchase authority is entirely discretionary.
 - A description of all fees, charges and expenses and of the maximum amounts thereof which are borne by the Group (and thus indirectly by investors) is contained in Parts I and IX of the Prospectus. The Annual Report also shows fees, charges and expenses borne by the Group in respect of the year ended 31 December 2021. There are no expenses charged directly to investors by the Company.
 - As its Ordinary Shares are admitted to the Official List, the Company is required to comply with, inter alia, the relevant provisions of the Listing Rules and the Disclosure Guidance and Transparency Rules and the City Code on Takeovers, all of which operate to ensure a fair treatment of investors. As at the date of this circular, no investor has obtained preferential treatment or the right to obtain preferential treatment.
 - The Annual Report and the Half Year Report are available on the Company's website (www.internationalpublicpartnerships.com), together with annual and interim reports for prior periods containing the Company's historical performance. The Half Year Report contains the most recently published unaudited net asset value per share for the Company. As a non-EEA and non-UK AIF, the Company is not required to comply with Article 19 of the AIFM Directive or the equivalent UK implementing rules.
 - The information required under paragraphs 4 and 5 of Article 23 of the AIFM Directive and the UK rules implementing such requirements is (where applicable) disclosed in the Annual Report, and will be disclosed to investors in the Company's annual report in respect of future periods.

If there are any material changes to any of the information in this Appendix 1, those changes will be notified to investors in the Company's annual report, in accordance with Article 23 of the AIFM Directive and applicable sections of the FUND Sourcebook of the FCA Handbook of Rules and Guidance.
