Notes to Editors:

About International Public Partnerships (INPP):

International Public Partnerships (INPP) is a listed infrastructure investment company which invests in global public infrastructure projects developed under the public private partnerships (PPP) and private finance initiative (PFI) procurement methods.

Listed in 2006, INPP is a long-term investor in 60 social and transport infrastructure projects, including schools, hospitals, courts and police headquarters in the UK, Europe, Australia and Canada. INPP seeks to provide its shareholders with both a long-term government-backed yield and capital growth through investment across both construction and operational phases of 25-40 year concessions.

Amber Infrastructure Group (Amber) is the Investment Advisor to INPP and consists of 50 dedicated infrastructure specialists which originate and source a strong pipeline of projects for INPP.
