Explanatory Notes

Directors' remuneration report – resolution 2

Guernsey-registered companies are not obliged to prepare and publish a Directors' Remuneration Report. However, the Company has included details of its Directors' remuneration within the Annual Report and Accounts and an ordinary resolution will be put to shareholders seeking approval of the Directors' remuneration.

Reappointment of Director – resolutions 3 to 8

In accordance with the AIC Code, the Board have resolved that all Directors shall offer themselves for re-election on an annual basis. Further, when and if any director shall have been in office (or on re-election would at the end of that term of office) for more than nine years the Company will consider further whether there is a risk that such a director might reasonably be deemed to have lost independence through such long service.

The Board is pleased to confirm that the Company is fully compliant with the FCA Listing rules relating to diversity.

Biographical details for each of the Directors standing for re-election and election at the AGM, and details of their individual contributions to the operation of the Board during the year, are contained below:

Mike Gerrard

Mike is the Chair of the Board and the Investment Committee. He is a resident in the UK and has over 40 years of financial and management experience in global infrastructure investment.

He has held a number of senior positions, including as an assistant director of Morgan Grenfell plc, a director of HM Treasury Taskforce, deputy CEO and later CEO of Partnerships UK plc and, later, a managing director of Thames Water Utilities Limited.

Mike has a breadth of experience across a range of economic and social infrastructure sectors and has been involved in some of the largest infrastructure projects in the UK. He is a Fellow of the Institution of Civil Engineers.

The Board recommends his re-election.

Julia Bond

Julia is the current Chair of the Management Engagement Committee. A resident in the UK, Julia has over 25 years' experience of capital markets in the financial sector and held senior positions within Credit Suisse, including Head of One Bank Delivery and Global Head of Sovereign Wealth funds activity.

The Board recommends her re-election.

Stephanie Coxon

Stephanie is the current Chair of the Audit and Risk Committee.

Stephanie is a resident of Guernsey and a Fellow of the Institute of Chartered Accountants in England and Wales and is a non-executive director on several London listed companies.

Prior to becoming a non-executive director, Stephanie led the investment trust capital markets team at PwC for the UK and Channel Islands. During her time at PwC, Stephanie specialised in advising FTSE 250 and premium London listed companies on accounting, corporate governance, risk management and strategic matters.

The Board recommends her re-election.

Sally-Ann David

Sally-Ann is the Chair of the Nomination and Remuneration Committee. She is a resident of Guernsey and has over 35 years of experience in infrastructure projects in the energy sector, including international offshore transmission systems and the challenges of the energy transition.

Having held senior positions within the power utility arena, Sally-Ann was a Director of Guernsey Electricity Ltd, and latterly the Chief Operating Officer for over 12 years. She is a Chartered Engineer and Chartered Director.

The Board recommends her re-election.

NOTICE OF ANNUAL GENERAL MEETING CONTINUED

Meriel Lenfestey

Meriel is the current Chair of the Environmental, Social and Governance Committee. She is a resident of Guernsey, with 28 years of multi-sector business experience.

With a background in human-centred design for technology, Meriel brings a strategic end-user focus and a broad set of experiences encompassing many sectors and scales of organisation ranging from her own start-ups through global corporations and governmental programmes.

The Board recommends her re-election.

Giles Adu

Giles joined the Company in September 2024 and brings over 30 years' investment experience to the Board. He is a resident in Jersey and has previously held several senior advisory roles in fixed-income and debt capital markets. Giles has held several non-executive director positions for investment funds in multi asset classes in private and public markets.

Giles holds an MSc in Financial Economics, a BA in Economics and is a Chartered Alternative Investment Analyst Charter holder.

The Board recommends his election.

Approval of Interim Dividends – resolution 9

Interim dividends do not require shareholder approval under the Companies Law or the Articles of the Company; however, in line with best practice, the Board wishes to afford the Shareholders the ability to note and sanction the interim dividends paid in respect of the periods six months to 30 June 2024, and the six months to 31 December 2024. As the interim dividends have already been declared and paid, this is an advisory rather than a binding vote.

Appointment and remuneration of the Auditors – resolutions 10 & 11

On the recommendation of the Audit and Risk Committee, the Board proposes the re-appointment of the Company's existing auditors, PricewaterhouseCoopers CI LLP. In addition, PricewaterhouseCoopers CI LLP have indicated their willingness to continue in office. Accordingly, Resolution 10 proposes the reappointment of PricewaterhouseCoopers CI LLP as auditor to the Company and resolution 11 authorises the Audit and Risk Committee, on behalf of the Board, to determine their remuneration.

Scrip dividends – resolution 12

This resolution renews the power, given by the Company's shareholders at the last AGM, for the Board to offer shareholders the right to elect to receive further Ordinary Shares, credited as fully paid, instead of cash in respect of all or any part of any dividend (a scrip dividend). The Board believes that the ability for shareholders to receive future dividends from the Company wholly or partly in the form of new Ordinary Shares in the Company will be advantageous for the Company as it will benefit from the ability to retain cash which would otherwise be paid as dividends. It may also benefit certain shareholders depending on their tax status.

Market purchases – resolution 13

This resolution renews the share buy-back authority that was given by the Company's shareholders at last year's AGM. Resolution 13 gives the Board authority to make market purchases of the Company's own shares, up to 14.99 per cent. of the Company's issued share capital (as at the time immediately following the passing of the resolution) and subject to minimum and maximum purchase prices. This authority will only be invoked if, after taking proper advice, the Directors consider that benefits will accrue to shareholders generally.

Disapplication of pre-emption rights – resolution 14

This resolution, a standard resolution for investment companies listed under the UK Listing Rules, renews the authority given to the Board at last year's AGM to allot Ordinary Shares for cash without first offering them to existing holders on a pro rata basis. The number of shares allotted must be less than 10 per cent. of the number of Ordinary Shares admitted to trading on London Stock Exchange plc's main market for listed securities immediately following the passing of this resolution.

The Board does not currently intend to allot shares under this power other than to take advantage of opportunities in the market as they arise, and only if they believe it would be advantageous to the Company's shareholders to do so. The Board also confirms that no allotment of new shares will be made unless the lowest market offer price of the shares is at least a premium to the latest published net asset value.

Note from the Board:

Members are requested to submit their votes in respect of all the resolutions proposed in this Notice of AGM. It is the recommendation of the Board that Members vote in favour of each resolution on the basis that the Board considers their passing to be in the best interests of the members as a whole.
